RE: CHANGE IN TRASH VENDOR

We will be changing trash vendors from Waste Management to Meridian Waste at the end of the month. Trash pickup days will remain the same. Waste Management's last pick up will be on Monday, October 29, 2018. The trash receptacle will be switched out Tuesday to Wednesday, October 30-31, 2018. Service with Meridian Waste will begin on Thursday, November 1, 2018. During this transition please *do not* place trash in the enclosures if there is not a receptacle. Please make every effort to have all trash out for Monday pick up before the receptacles are removed.
