

## POOL CARDS:

The 2019 pool season is almost here! Below are a couple things to keep in mind as we get started:

### **YOU MUST HAVE YOUR POOL CARD TO ENTER POOL AREA**

1. Facility users will be required to register with the lifeguard at the pool upon the first use of the pool during the season. Registration of each family member and the ages of children are required. Admission to the facilities is limited to residents of Springhurst Homeowners' Association, their families, and guests. (See Rules & Regulations for guest limits.)

### **CARDS SHOULD NOT BE GIVEN OR USED BY ANYONE OUTSIDE YOUR HOUSEHOLD**

2. The lifeguard / pool management possess total authority on behalf of the Springhurst Homeowners' Association manager and trustees during periods of pool and recreational facilities operation. The lifeguard may exercise discretion in the determination of appropriate behavior and conduct by facility users and prohibit use or remove users as warranted. Any activity which is dangerous and/or potentially destructive to any individual or to the pool, cabana structure, furniture, appliances or any other item in the pool and cabana area is strictly prohibited, and the lifeguard has absolute and final authority to ban such conduct. In the event of violence or trespassing, and if deemed necessary by the lifeguard, the lifeguard may call the O'Fallon Police Department for assistance.

3. Two (2) Lifeguards are to be on-duty at all times. If you notice 2 lifeguards are not on-duty call Pro Pool at 314-776-7665.

### **Use of the pool without a Lifeguard present is STRICTLY PROHIBITED**
